"Hey.. this is FUN! I am sending CDs to others I don't listen to anymore, and in return I am getting CDs I will cherish for years to come. The people are nice, the website is well organized and safe, and everyone is treated fairly. This ROCKS!"

Jonathan H. - SALOL, MN

"I love SwapA CD. I had a lot of CDs that I no longer listened to. I posted them on the site and have had requests for them and have been able to get other CDs that I wanted in place of them. I received one CD that was cracked during shipping. SwapA CD promptly (within hours) credited my account and put the CD back on my wish list. :)"
